LETTER FROM OUR RECTOR, REVD DR STEVE STEWART

The Original Atheists!

I love atheists. I have found conversations with atheists to be some of the most rewarding of all. They make me think carefully about what I believe and why. For example, as a believer in Jesus Christ I hold Jesus' resurrection from the dead to be not simply a "nice thing to believe" but a fact of history! This and much else that Christians believe is, at face value, ridiculous.

The claims of Christianity would be, without supporting evidence, absurd: God created the universe?; God came to earth as a man?; The Bible is the inspired word of God?; Jesus Christ gave sight to the blind?; Jesus rose from the dead? The list goes on and on. Atheists have every right to question these things, and nothing helps my faith more than that they do so! I have a responsibility both as a Christian and as the Rector of the parishes of Hanborough and Freeland to provide coherent evidence-based answers to these issues.

Let us remember that Christianity is an ancient faith. In the ancient world there were two types of beliefs at work: Judaism and paganism. Judaism believed in one God and ancient pagans (Gentiles) believed in many gods. Then Christianity with its one Jewish God came along, with many pagans becoming Christians. If you converted from paganism to Christianity, you went from believing in many gods to just one God. And what insult would your community level at you? That you were an "atheist" – you'd stopped believing in the many gods. Yes, Christians were the original atheists! There are thousands of gods which you and I alike do not believe in! And so I remind myself that when I am speaking as a believer in Jesus Christ with an atheist, we have more in common than might at first be thought. At some level, I see something of a kindred spirit!

Occasionally, I have conversations with atheists where I want to establish that both of us believe things which are, in philosophical and forensic terms, equally ludicrous: the atheist might assert that the universe came from nothing or that the Bible is a hoax. For my part, I want to assert the claim that Jesus Christ rose from the dead. Both of us need to provide evidence to support our "ridiculous" claims.

We hope sometime next year to even offer a forum where these things can be discussed thoughtfully and intelligently; where atheists are welcome to come and quiz me and others on these types of question, so that together we might seek and find truth. Just for me to get a feel for this sort of thing, drop me a line if you think that's something you might find interesting (it will commit you to nothing!)

With much love in Christ Jesus,

Revd Dr Steve Stewart
Rector, Freeland and Hanborough

PUBLIC CONSULTATIONS

There are a several consultations about to go live or already open including **Salt Cross**,

2041 Local Plan and Oxrail. Please let your voice be heard.

WODC update

A 3.5 million investment has been approved for upgrades to the three leisure centres across West Oxfordshire. The District Council is keen to ensure this funding is delivered locally and in a timely manner, ahead of the planned merger with the County Council, to avoid the risk of resources being redirected to other areas.

Remembrance Sunday

The Parish Council is pleased to support the raising of the Union Flag on the Village Hall. During the two weeks around Remembrance, the flag will be flown to honour and remember all those who gave their lives, marking this important 80th Anniversary. We are mindful of the difficult news in the world today, and want to reassure residents that the flag is being raised purely as a symbol of respect and remembrance within our Community.

Councillor Vacancy

We have a vacancy on the Parish Council and are looking to co-opt a new member to join the team. Each member brings their own skills to the team which helps the village to thrive. Please drop us an email if you are interested or just want to find out more.

Fly Tipping into Bins

We have had issues with glass bottles and cat litter being disposed of in our bins. Please can you use your own to dispose of the waste. Bottles go out bi-weekly with the blue top and green waste bins. Cat litter should be placed in the general waste bin, not in the bin on the A4095 otherwise the bin will be refused to be emptied by the contractor.

Village Hall Parking

This is a polite reminder that the parking for the Village Hall is for users of the Hall, field and playground, and not for carparking for residents as car storage. The space is already limited.

Fix my Street

We urge you all to continue to keep using the Fix My Street App that reports any issues to the County Council. This can be used for potholes, overgrown hedges, kerb stone damage and also such matters as grass cutting on the A4095. Additionally, if you would like to become a super user that will help speed up the process in which things can be repaired. email:

FREELAND GARDENING CLUB

On **Monday 27th October at 7.30pm in Freeland Village Hall** the Club has it's Annual General Meeting when we go over events of the previous year and get information about speakers booked for our interest in the coming club year. The Committee will be elected so if anyone is interested in joining our friendly Committee please get in contact with me at the email below. We would welcome any new Committee members. At present nothing else has been planned for after the AGM but it is sure to involve some sort of refreshment.

As mentioned last month, on **Saturday 22nd November** the Club is organising a **Village Fair in Freeland Village Hall**. There will be tables where village organisations can present information about their activities. It is an ideal opportunity for people to get to know the many activities enjoyed in Freeland so do consider taking part. Contact June Counsell at **counsellveronica3@gmail.com**

Freeland Women's Softball Cricket

The end of the season has come and although the rain tried hard to thwart us on our final session, we altered our plans and finished with an intra-team Kwik Cricket match. Almost everyone in the team was able to play.

Afterwards we went to the Oxfordshire Yeoman for food (thank you to Donna) and drinks together with the presentation of the season's awards.

We were pleased to present:

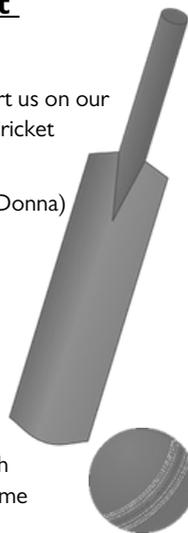

Newcomer of the Season - **Helen Davies**

Most Improved player - **Julie Stuart-Thompson**

Captain's Player of the Season - **Jessica Smith**

Coach's Player of the Season - **Bekah Richens**

We said farewell to **Helen Scragg** who has been part of the Softball team since its formation in 2018. Helen has kindly given us a trophy which will be presented as an award each session. In its first year, it has gone home with **Matthew Smith**, our fantastic coach.

FREELAND FOOTBALL CLUB

The season has now started and on the first week both the Under 12's and the new Under 9s played at home, it was great to see the playing field packed with supporters and two Freeland sides playing.

Both sides started incredibly well gaining wins, the Under 12's were especially good as they came back from 3-1 down to win 5-3.

At their home games the Under 9's will be running a tea bar serving Tea, Coffee, Bacon rolls and homemade treats – so please do come down and support them!

We are also looking to increase the number of teams through all ages, so if you are interested in helping to run a team please do get in touch – we will help with all necessary courses and qualifications.

A huge thank you to our sponsors who have helped with setting up the new U9's – The Oxfordshire Yeoman, AK Halsey Electrical, and the Spar, Minister Lovell.

We would also like to pass on our congratulations to Freeland Cricket Club on their promotion!

| Other (such as window/door replacement etc.) | | | | | <input type="checkbox"/> |

If you have made any of the home energy improvements above would you be happy to talk to other residents about your experience?

- Yes No

If you have not made any improvements and would like to make your home warmer, cheaper to run and more energy efficient, but you are not sure where to start, would you consider being part of the "A House Like Mine" project? This collaborative project will demonstrate what is possible, using real homes and real plans as exemplars to owners of similar properties in the Village.

LITTLE FREE LIBRARY NEWS

Another month of reading has flown by already!

We have noticed an increase in turnover of children's books since the children have returned to school. Young children's picture books are always in high demand at both Little Free Libraries, so please consider donating some if you have any at home that you no longer need. It is amazing that we are raising a village of eager bookworms!

Before you donate any books into the Little Free Library, please check that you have removed any notes or bookmarks from inside the books. Last month, our volunteers found personal items inside some books, including medical prescriptions which revealed someone's personal details, including their contact information. We do not have time to check inside every book, so things like this will not always get caught. Thank you for your help with this.

Now we are getting into the colder weather, this is the perfect time to snuggle up with a good book and to get lost in a story. Help yourself to as many books as you like from the Little Free Library to keep you company.

Matthew and the Little Free Library volunteers, (Sue, Fi, Jenny and Caroline)

Freeland Methodist Chapel Update:

YES!

The bid which was submitted in July has been accepted by the Methodist Circuit.

This means that we can start to develop our plans for the refurbishment of the Chapel. There will much work to be done and so we will be asking for more volunteers to join the committee, specifically we would like to hear from anyone who has experience of applying for Grant funding and fund raising.

There will be a Village Meeting on Monday 6th October at 8pm in the Village Hall where the Committee will outline the next steps and possible timescale. **Do come along** to hear first hand about the next exciting phase of this project, **you will be most welcome.**

The village support for this project has been superb so far, and we are very grateful to everyone. Please do continue to support our project to develop a community hub for the benefit of all ages in Freeland.

Donations and pledges can still be made online or by personal approach to a Committee member.

October News - Trees

Seasonal Spotlight – Autumn

It's that time of year when the trees will be changing colour, the air is getting colder and fresher, and we can't help thinking of warm drinks, cosy clothes and playing in the crunchy leaves.

As we enter Autumn, it can be tempting to cut back all the dead and dying vegetation in our gardens and green spaces. It's worth considering that many of these woody stems will become perfect winter homes for insects as they enter hibernation and can create areas of architectural beauty in our homes and communities.

In Oxfordshire, the hedgerow species we generally recommend planting (for their capacity to provide for both people and wildlife year-round) and you're most likely to see in your local area, include Blackthorn, Spindle, Common Buckthorn, Guelder Rose, Wild Privet, Cherry Plum, Dog Rose and Hazel. Fruiting season for many of these species starts from late summer to early autumn. As such, by this time of year, most of the species listed above will be fruiting. Hawthorn berries have traditional use in heart-strengthening natural medicines but also act as a vital source of food for caterpillars, moths, and migratory birds. Keep your eyes peeled for spindle, which has vibrant autumnal colours with vibrant pinks, and the leaves turning from a deep green to a beautiful red. Jessica Bower Wild Oxfordshire

OXRAIL2040 PLAN

Oxfordshire County Council has released its public consultation on the OxRail2040 Plan for Rail, setting out proposals to transform the county's rail network and deliver better connections for local communities.

At the heart of the plan are long-awaited improvements to the Cotswold Line, including a commitment to deliver two trains per hour serving Hanborough station. This would significantly enhance Hanborough's role as a key transport hub for West Oxfordshire, better linking the district with Oxford, London, and the wider region.

Cllr Liam Walker, County Councillor for Hanborough and Hailey, has welcomed the launch of the consultation: "This has been a long campaign to secure the much-needed improvements to the Cotswold Line, and I am delighted to see this ambitious plan being put forward. Hanborough station is already one of the fastest-growing stations in the county, and the commitment to deliver two trains per hour will make a huge difference for local residents, businesses, and visitors. It is vital that West Oxfordshire has a reliable and sustainable transport hub, and I fully support the need to push for further improvements to Hanborough station."

Alongside the Cotswold Line proposals, the OxRail2040 Plan for Rail includes a series of other major projects designed to improve connectivity across Oxfordshire.

These include:

Reopening the Cowley Branch Line for passenger services, linking key employment sites and thousands of homes in South Oxford to the main rail network.

Upgrading Oxford Station to improve capacity, accessibility, and passenger experience.

Electrification and capacity enhancements to reduce journey times and make the rail network more sustainable.

New stations and better interchange facilities to connect growing communities with jobs and services.

Residents, businesses, and community groups are encouraged to share their views on the plan during the consultation period. Feedback will help shape the final strategy and ensure it reflects the needs of Oxfordshire's growing population.

The OxRail2040 consultation is open now and can be accessed via the Oxfordshire County Council website at: www.letstalkoxfordshire.gov.uk/oxrail-2040

OXFORD BUS MUSEUM

Hallowe'en and half term: Fun for the family

On Sunday 26th and Wednesday 29th October we shall be decorating the museum and buses and laying on some surprises for our visitors.

For children there will be a **'Pumpkin Hunt'** in the museum with prizes for those who find all of the dozen pumpkins. (Adults are also allowed to take part.)

There will also be a display of live spooky owls brought to the museum by Alan Charlett, who runs Al's Owls. For a small extra charge visitors will be allowed to hold the owls.

We shall run regular bus rides from **11.30am**. The buses will be dressed appropriately for Hallowe'en. On **Wednesday 29th October** we shall run an additional evening twilight bus ride. More details will be on our website nearer the date.

Recently we had an unusual bus visiting, and no, your editor has not reversed the photo!

This 1953 AEC Regent, made in Southall with a Weymann body, was designed to have a left-hand drive as it was exported to Lisbon in October 1954, where it operated for the (then) British-owned Carris company. It remained in service for twenty nine years. It was one of one hundred and twelve built between 1950 and 1957 for Carris.

The bus visited our museum on the 25th August, where running repairs were made to its injection pipes and an oil leak identified.

FREELAND WI

Our September meeting was held at Freeland Garden Centre where our members filled their containers with Winter plants or bulbs.

Tim Webster, demonstrated how best to fill a container, using a variety of plants that offered a range of colour, texture and height, that would last through the winter months into next year. Sue Hooper, then outlined the general rules for planting bulbs according to their flowering period, the best bulb compost to use and how to plant a 'bulb lasagne'. Once our members had completed their planting and purchases, they made their way over to the village hall for homemade soup and bread, followed by a selection of delicious puddings.

On **Monday 13 October**, our monthly meeting will have a seasonal feel. Sarah Richards will be joining us to run a workshop for our members to create a needle felted pumpkin. If you would like to attend this event and want to try out a new skill of needle felting, please contact our secretary in advance - details below. Thank you.

Freeland WI meet on the second Monday of the month in the Village Hall commencing at 7.45pm. The meetings usually consist of a speaker or activity followed by a raffle and refreshments. A copy of our 2025 programme was included in the January edition of the Grapevine (available on the Freeland Parish Council website) and on the Village Hall noticeboard. Visitors are always welcome to join us for an evening for a suggested donation of £5.

Freeland WI is a fun and friendly group of ladies who enjoy a wide and varied range of activities. For more information check out our Facebook page **Freelandwi** or contact our secretary Rosie James on **01993 881997** or **freelandwi@oxfordshirewi.co.uk**

The September speaker, local historian Liz Woolley, gave us a great talk on Oxfordshire Breweries, Oxford Sausages and Oxford Marmalade. We were led down the myriad of locations and stories of the families involved - with 319 licenced premises at one time in the City, and in 1852 there were fifty butchers shops. So many of the Oxford city street names referenced to this historical past.

Our u3a branch is centred in Woodstock and attracts and welcomes members from the surrounding area, including Freeland. Are you recently retired and looking for local social activity around an interest that you already have, or seeking something new to become involved in? The u3a can offer much and our website gives full information.

www.woodstocku3a.uk Monthly members' speaker meetings are held at **St Hugh's Centre, Hensington Road, Woodstock OX20 1JL - 1.45pm for 2pm speaker.**

Our next speaker meeting is on **Thursday 2nd October** when we have local author and presenter Stephen Barker talking on Indians at Victorian Oxford.....The first Indian students to attend the University of Oxford arrived in 1871, and the bridge between Oxford and India has grown stronger ever since. do come along to learn more.

On **Thursday 6th November** the subject for our talk will be **Hedgerows** and we welcome speaker Jessica Bouwer from Wild Oxfordshire.

Visitors **£3** to include tea and biscuits.

1st HANBOROUGH FREELAND SCOUTS GROUP

Now that summer has come to an end, our Scout group is back in full swing with weekly meetings and a busy term of activities ahead. The young people have returned and it's great to see the sections meeting regularly again.

We are continuing to look for enthusiastic volunteers to join our subcommittee working on the exciting project of building a new storage facility for our Scout group. The site is on Hanborough Parish Council land behind the Cala estate, near the Meadows pre-school, and would be similar to the steel-framed tractor shed on the Pavilion field. This project will be a huge benefit to the group, but we really need some extra help. If you have experience in grant-writing, fundraising, or project development, or simply a passion for helping the community, we'd love to hear from you! Please contact Mike **mikejoyner48@gmail.com** to get involved.

Across the sections, a lot is happening this term. The Explorers kicked things off in September with a trip to Wet n Wild, funded by money they earned volunteering at the Blenheim Triathlon. This month, they'll be in the woods playing wide games, taking part in "Over to You" sessions where they design and run their own evening, and even cooked up their own curry night! Meanwhile, the Scouts are planning their Senior Patrol Camp, which will give them a chance to develop leadership skills in an outdoor setting. They'll also be celebrating Diwali with themed activities as well as looking into internet safety.

If you've ever thought about getting involved, now is the perfect time, whether it's joining the subcommittee, helping with the minibus, or supporting in another way! Finally, I would like to thank Matthew Ruddle for his eight years serving as Publicity Rep for the troop and for his invaluable support over the years.

WEST OXFORDSHIRE DISTRICT COUNCIL BACKS A NEW AMBITIOUS NATURE RECOVERY STRATEGY

WODC Executive endorsed a new countywide strategy aimed at protecting and enhancing the natural environment across the county.

The Local Nature Recovery Strategy (LNRS) is a collaborative initiative led by Oxfordshire CC, which involves the assessment of a priority network of existing habitats and identified opportunities for future habitat enhancements. The strategy provides a clear and evidence-based framework to deliver **more, bigger and more connected habitats** and offers multiple benefits for communities, including natural flood management and water quality regulation, as well as wider opportunities to enjoy nature-rich green spaces.

The LNRS has been shaped through extensive collaboration between the local authorities and expert organisations and individuals. WODC played a key role as the supporting authority. The draft of the strategy was subject to public consultation in 2024, which generated over two thousand responses.

The LNRS will play a key role in delivering Biodiversity Net Gain in the district. It will also have a central role in developing West Oxfordshire's new Local Plan 2041, informing decisions on where development should happen and which areas need protection and enhancements.

For more information, please visit the LNRS website:

Low Carbon Hub:

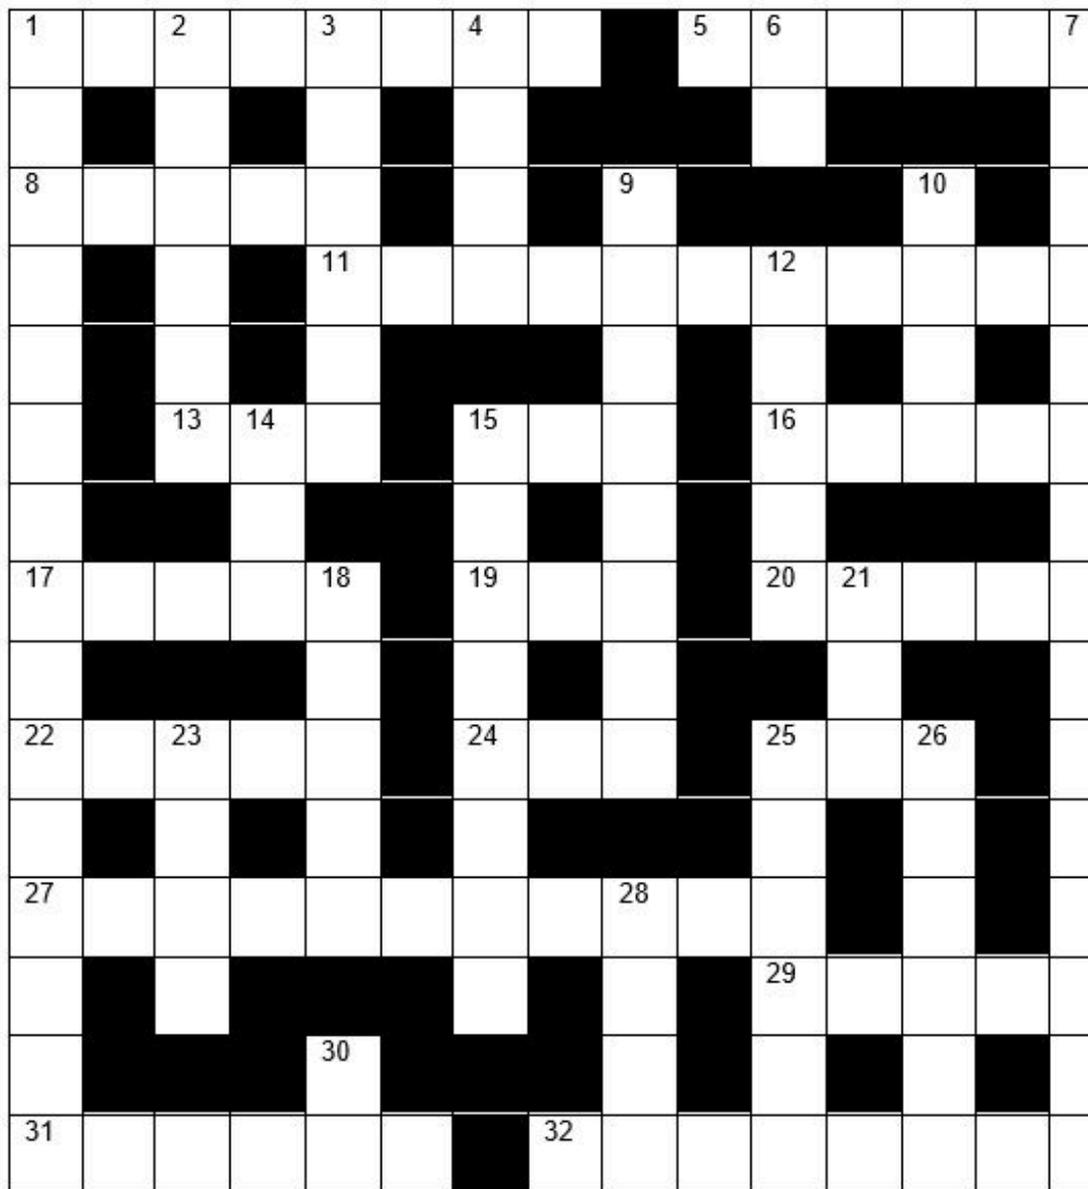

Low Carbon Hub, with communities in and around Eynsham, have developed the UK's first Community Action Plan for Zero-Carbon Energy (CAPZero) and are now entering Year 2 of its implementation.

The project aims to create a zero-carbon energy system through long-term stewardship that benefits and motivates current and future residents and provides a model to inspire wider action. The plan includes actions to reduce energy usage and create warmer homes, workplaces, and community spaces, as well as increase renewable energy generation.

New energy groups have been established in Freeland and Hanborough, giving residents the opportunity to lead the way on the achievement of legally binding net zero targets and a cleaner, greener energy system as soon as possible.

Sustainable Fashion Meets Sport: Oxford United Stars to Walk the Runway at Blenheim Palace

This October, the worlds of football and fashion come together in an extraordinary way as Oxford United players Naomi Bedeau & Lucy Trinder model in the **Sustainable Fashion Show at Blenheim Palace**. They will showcase innovative designs made with upcycled replica kits from Oxford United, designed and created by local, sustainable fashion designer **Imogen Barrow-Starkey**.

The Sustainable Fashion Show, Ripples of Change, is hosted by **Cherwell Collective**, an Oxfordshire-based non-profit organisation dedicated to creating a circular economy. The runway show will take place within the historic setting of **Blenheim Palace at 8:30pm on Wednesday 1 October 2025**

Ticket info:VIP Hospitality Tickets are available now on Eventbrite. These tickets include the best seats on the runway and access to a pre-show drinks reception with live music, networking & nibbles alongside selected professionals and local celebrities.

Standard tickets, also available on Eventbrite, include access to the Sustainable Fashion Show runway

The deadline for articles or adverts for the November Grapevine is **Sunday 12th October**. The November edition should be online at **<https://freelandparishcouncil.gov.uk>** and **www.stmaryfreeland.org.uk** from about **Tuesday 21st October** with the print copies in the church porch and elsewhere from **Friday 24th October**.

We welcome handwritten or typed articles and adverts. However, if at all possible, please send by email, formatted to fit an A5 magazine-it will certainly help to reduce the number of our mistakes! The font we use is **Gill Sans MT** at 10 point. If submitting

electronically please use Word, **not PDFs**. Photographs should be JPGs or PNGs, again **not PDFs**. The cost of a Small Advertisement **23p per word**. Payment for all advertising by BACS, details can be obtained from Jane Duff and any other costs for adverts. 1/3rd page size is 60mm high x 127mm wide, ½ page size is 90mm high x 127mm wide.

Adverts: grapevineadverts@gmail.com

Articles: freelandgrapevine@gmail.com

Or phone: **01993 880623 (Jane Duff)**

Note: Please put your name and telephone number on any submission in case we need to contact you. These will only be printed if requested by you.

The editor reserves the right to edit all copy.

Whilst every effort has been made to ensure the accuracy of information, liability cannot be accepted for any errors or omissions in compiling this magazine.

Neither the Church, the Editor nor the Printer assume responsibility for any effects arising therefrom.

The presence of an advertisement in the Grapevine does not constitute a recommendation by the editors regarding the goods or services advertised.

We are not able to publish any correspondence between tradespersons or other organisations placing adverts in the Grapevine and their customers in the event of dispute. We do not endorse any articles, reports of suggestions in the Grapevine,
